So he went to his wife and said, "Please make my trousers shorter, they are too long for me, I cannot put them on". But the wife said, "I have no time now. I must wash the dishes. It is late now, I'll do it tomorrow".

The man went to his daughter and asked her, "Can you make my trousers shorter? I cannot put them on". "No, I cannot", said the daughter. "I must do my homework now. I'll do it tomorrow". The man went to his sister, but she could not help him. She said, "I must make my dress now. I'll do it tomorrow". So the man went to bed and left his new trousers on the chair near his bed.

His wife washed all the dishes, came into the room, took the trousers, made them shorter and put them back on the chair. When his daughter did her homework, she came into his room, took the trousers and made them shorter. Late in the evening his sister came too and made the trousers shorter.

The man got up at 7 o'clock in the morning. His wife told him, "I made your trousers shorter, you can put them on". But when the man put them on, he saw that they were too short for him and he could not wear them.
